

CITIES

Think of London, a small city
It's dark, dark in the day time
the people sleep, sleep in the day time
if they want to

I'm checking them out
I got it figured out
there's good points and bad points
find a city
Find myself a city to live in...

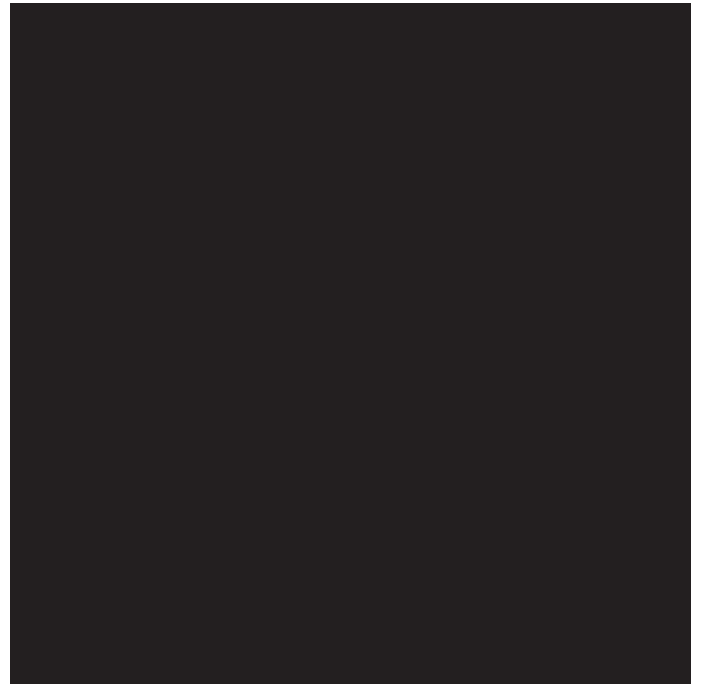

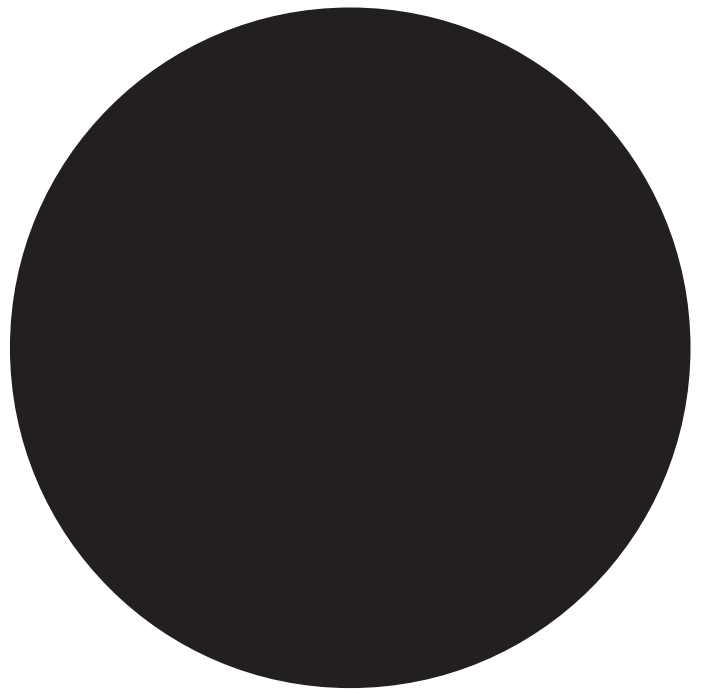

There are a lot of rich people in Birmingham
a lot of ghost in a lot of houses
look over there!... a dry ice factory
a good place to get some thinking done

Down el paso way things get pretty spread out
people got no idea where in the world they are
they go up in the north and come back south
still got no idea where in the world the are

Did I forget to mention, forget to mention
Memphis
home of Elvis and the ancient Greeks
Do I smell? I smell Home cooking
It's only the river, it's only the river

song from the Talking Heads,
written by David Byrne, 1979

notice/manual

Ce fichier PDF est optimisé pour une impression laser noire sur format A4, orientation portrait des pages avec zone d'impression centrée et maximale sans aucun redimensionnement dans les préférences de l'imprimante & d'Acrobat Reader 5.0 ou supérieur. Assembler l'affiche comme indiqué dans le schéma, l'affiche étant composée de 49 feuilles A4 standards (répartition 7 par 7, notées verticalement de la lettre A à G, horizontalement de 1 à 7, soit une surface continue de 147 x 207,9 cm), chaque feuille comportant une double numérotation dans le coin inférieur droit permettant ainsi de réaliser ce montage facilement, par collage bord à bord des feuilles sur un support mural. La partie inférieure de l'affiche étant de préférence posée sur le sol, on commencera donc l'application murale par la rangée G des pages 1 à 7, puis F, etc. en remontant vers le haut de l'affiche. De plus, différentes qualités & couleurs de papier peuvent être envisagées. Enfin, un assemblage différent de l'affiche peut être éventuellement mis en œuvre, par une répartition de votre choix des 49 feuilles la composant.

This PDF file is optimized for a black laser print on A4 format, portrait page orientation with centered and maximal printing area without resize in the preferences of the printer & Acrobat Reader 5.0 or superior. Assemble the poster as shown in the figure, the poster being composed of 49 standard A4 sheets (distribution 7 by 7, vertically marked from letter A to G, horizontally from 1 to 7, either a continued surface of 147 x 207,9 cm), each sheet including a double paging in the right lower corner which enables to build the composition easily, by sticking edge to edge the sheets on a mural support. The lower part of the poster being preferably layed on the ground, one will start the mural application by the row G of the pages 1 to 7, then F, etc. going up to the upper part of the poster. Different quality & colors of paper can also be used. Finally, a different assembling of the poster can eventually be realized, by a distribution of your choice of the 49 sheets that compose the poster.
